MEALS on WHEELS
ALBUQUERQUE

TOGETHER, WE CAN DELIVER.

Fredi had a career as a Radio Highway Dispatcher. Now she lives with her son and daughter-in-law since her husband passed away many years ago. Her daughter-in-law set up MOW for her, because she and Fredi's son felt it was critical given that they are both working and Fredi can no longer cook for herself. She receives hot, nutritious meals three times per week. She says, "Meals on Wheels provides me with something fresh instead of always having a frozen mid-day meal."

How we use your gifts

We received **no** government funds and relied 100% on our donors and volunteers to provide quality, diet-specific meals to people who could otherwise go hungry.

Our vision for the next three to five years is to double the number of meals we deliver every day. Thank you for helping us keep the momentum going!

Our commitment is to provide nutritious meals to people in the most effective and efficient way possible; investing every dollar we receive from our donors to prepare, package, and deliver healthy meals to people who otherwise might go hungry.

The clients of Meals on Wheels of Albuquerque are grateful to you!
